

Summer 2015 Prepaid Access to the UCLA Arthur Ashe Student Health & Wellness Center

BruinCare is a program that provides international students registered for UCLA Summer Session(s) prepaid access to certain core services at the UCLA Arthur Ashe Student Health & Wellness Center. Having health insurance is a condition of enrollment for your program; *BruinCare* is **NOT** insurance and does not cover emergency room care, services rendered outside the Ashe Center or non-core services at Ashe. Please see below for details about what is, and is not, covered.

Included in your fees for your summer program, *BruinCare* provides you with an unlimited number of basic Ashe services, as detailed below. The period of coverage is June 22 – September 11, 2015 and requires that you be registered for Summer Session(s). With *BruinCare*, you can minimize the need for worry when you get sick and can conveniently access basic care without additional costs—*BruinCare* eliminates the out-of-pocket costs for core visits, core labs, and in-house x-ray procedures performed at Ashe that non-*BruinCare* UCLA students have to pay.

***BruinCare* gives you unlimited access to these core services:**

- **All Ashe Physician/Nurse Practitioner visits (exceptions marked with * below)**
- **Core laboratory tests**
- **In-house X-Rays not requiring specialized equipment**
