WELCOME TO UCLA SUMMER SESSIONS!

We are thrilled to have you join us in an environment that is welcoming and appreciative of international cultures and perspectives—in a city that is truly a global gateway. This guide is a quick reference to help you find answers to important questions.
MyUCLA

Now that you have your UCLA UID number, you’ll want to set up your online account. MyUCLA is UCLA’s student online account system. You’ll use it to access your academic, financial, and personal records; view your study list; see your grades; make enrollment changes; and order transcripts.

Your MyUCLA account is absolutely private (by federal law) and no-one other than you should be allowed access.

E-mail Notifications: As a summer student at UCLA you will be assigned a ucla.edu e-mail address. In MyUCLA you will be asked to select a default e-mail for notifications from our office and the university. We do not recommend using a UCLA email as a default. We encourage you to use your permanent e-mail. The UCLA email will be disabled at the end of your term. To activate your UCLA e-mail visit https://mail.ucla.edu. Use the same login ID and password used for MyUCLA access. Any e-mails sent to this account before it is activated will be lost.

COURSE OFFERINGS

UCLA offers you a wide range of academic courses during the summer. International students with the requisite skills and English levels are able to select any of the courses that are available to University of California students. You can browse the 2015 schedule of classes online at www.registrar.ucla.edu/schedule or from the Enrollment Home link under Classes tab in your MyUCLA account.

Proof of your proficiency in English is required if you intend to take regular academic summer classes. If you plan to enroll in only ESL classes then there is no English Language requirement.

DON’T FORGET! You are required to enroll in a minimum of 8 units per session to be eligible for a UCLA I-20 and F-1 Student Visa.
ENGLISH LANGUAGE COURSES

Take advantage of UCLA’s expertise in English language training to gain all the skills you need to succeed in the academic and professional worlds. Campus life and off-campus excursions will complement this intensive classroom instruction to bring you quickly up to linguistic proficiency.

ENROLLMENT CHANGES

You may add or drop courses from MyUCLA through the first week of the term. Always check your billing account after making changes, although there is no fee for changing courses, course fees do vary.

You are required to maintain at least 8 units at all times, but you may also add up to 20 units if you wish to add additional courses.

If you are struggling with your course load, or feel that one of your courses is not right for you, we encourage you to contact a Summer Session advisor about changing your schedule as soon as possible.
**ADDING / DROPPING COURSES**

**Adding/Dropping Courses before the Session Begins and during the First Week of Class:**
No approvals are required for non-impacted and impacted courses unless specifically noted in the Schedule of Classes. If the change affects your fees, your BruinBill account will reflect the change.

**Adding Courses after the First Week of Class:**
After Friday of the first week of each session, you will need consent from the instructor to add a class. You may add courses in two ways:
1. Via MyUCLA with a Permission to Enroll (PTE) authorization number from the instructor, or
2. By submitting a Student Update Form with an authorized signature to 1331 Murphy Hall
A late fee of $50 will be assessed for each new course beginning Monday of the third week of each session.

**Deadlines to add a course without incurring the $50 late fee are:**

**Dropping Non-Impacted Courses at Start of Session:**
You may drop courses from MyUCLA any time before the last two weeks of the course. Beginning Monday of the fourth week, all drops require a Student Update Form with the instructor’s signature. The form must then be submitted to the Registrar’s Office or the Summer Sessions Office in person. You are not dropped from a course or relieved of financial responsibility if you fail to attend classes, reverse your credit card charges, or if your check or credit card is not honored by the bank. You may be dropped from your courses if you have an outstanding balance following the payment deadline. Please note that classes cannot be exchanged after the refund deadline.

**Dropping Impacted Courses after the Session Begins:**
Impacted courses may be dropped on or before Friday of first week through MyUCLA with no transcript notation. If you are unsure if your course is impacted or not, a full list of impacted courses is available at www.registrar.ucla.edu/schedule. After Friday of the first week of the course, you will need to submit a petition to drop an impacted course. Petitions for dropping impacted courses after the deadline are approved only under extraordinary circumstances; therefore, you should consult the course instructor and explore academic options other than dropping, before submitting the petition. If the request is approved, the dropped course will appear on your transcript with a notation indicating the date and week of the term in which the drop petition was filed. To petition for the drop, complete a Student Update Form and submit the request to the Summer Sessions Office, in 1331 Murphy Hall.

**Refunds:**
Tuition and IEI fees are refundable for courses dropped before their specified dates listed below. Refunds will go back to the credit card used for payment. If your payment was made in cash or via wire transfer, a check will be issued and mailed to your local address in MyUCLA. If you are expecting a refund, be sure to verify that your account addresses are up to date.

BILLING AND PAYMENTS

Tuition is assessed on a per unit basis. This means that your fees will depend on how many courses you enroll in and how many units (or credits) each course is worth. A complete fee overview for Summer Sessions is available online, but in order to view your Summer Sessions charges and find out how much you owe, you’ll need to visit your BruinBill Account via MyUCLA.

BRUINBILL

You can use BruinBill to track charges and payments made to your account. You may access BruinBill and make payments anytime—24 hours a day /7 days a week—Just click on the BruinBill link under the Finances and Jobs tab in MyUCLA. Online payments must be made using a credit card (Visa, Master, Discover, or AMEX ONLY). You can also wire funds directly from your bank using Travelex. If your currency is not included in the drop down list, you may request that your bank make the transfer in US dollars or Euros.

Registration is complete when all fees are paid. If you enroll in classes after a deadline, your payment will be due on the following deadline.

*Failure to pay by SPM on deadlines will result in being dropped from courses
INTERNATIONAL STUDENT REQUIREMENTS

VISA REGULATIONS

Once you complete your registration, you are required to apply for both the I-20 form and the F-1 Visa prior to entering the U.S. Entering the country on a B-1/B-2 visa is not permitted and you will be sent back home if you fail to present both your I-20 and F-1 Visa documents upon arrival.
HEALTH INSURANCE

Health insurance is a federal requirement for all international students – no exceptions. To protect you from the high cost of health care in the United States, UCLA will enroll you in a two-part health insurance plan. This amount is subject to change annually. Please visit [http://summer.ucla.edu/academiccourses/internationalstudent/insurance](http://summer.ucla.edu/academiccourses/internationalstudent/insurance) for more information.

BruinCare

BruinCare provides access to the Arthur Ashe Center Student Health and Wellness Center, conveniently located right on the UCLA Campus. Your BruinCard is all you need to access medical services at the Ashe Center. Although most general services are included, some services may incur additional fees. These fees will be added to your BruinBill account and are payable directly online or in person at the Main Cashier in 1125 Murphy Hall. BruinCare is mandatory for all visiting international students and cannot be declined. Information can be found at [http://www.summer.ucla.edu/pdf/bruincare.pdf](http://www.summer.ucla.edu/pdf/bruincare.pdf).

Except in the case of a serious emergency, you must always visit the Arthur Ashe Student Health Center on campus first. If it is necessary to go to the hospital, an Ashe Center representative will refer you for further treatment.

Blue Cross PPO

The Blue Cross PPO (provided by Ascension Benefits & Insurance Solutions) provides coverage for off-campus doctor’s visits and emergency care anywhere in the United States. The coverage period spans mid-June through mid-September, so you will have continuous coverage if you plan on travelling in the U.S before or after the period of study at UCLA.

Health Insurance ID Cards & Participating Providers

Insurance information will be sent to you via e-mail prior to your Session start date. After June 1st, you may also download a copy of your ID card directly from the Insurance provider at the following website: [http://www.renstudent.com/](http://www.renstudent.com/)

HOUSING

Once you have enrolled in courses, you will be eligible to apply for housing in the residence halls or university apartments. All of your housing needs will be managed directly with the Housing Department.

Housing Services will begin accepting applications on April 1st. You can learn more about housing options and complete the registration form online at [http://www.housing.ucla.edu/summer](http://www.housing.ucla.edu/summer)

Students Under the Age of 18

Students aged 16 and 17 will be placed with other academically motivated high school students in a clustered living-learning environment within the regular residence halls. These high school students will live as independent college students with support from a trained UCLA residential adviser.

*The Housing Office is not able to accommodate Summer Sessions students under the age of 16.*
PRE-ARRIVAL

I-20 REQUEST PROCESS

If you have never had an F-1 Visa, or you have been outside the U.S. for more than 5 months, you will be required to obtain an I-20 from UCLA and apply for an F-1 Visa from the U.S. Embassy or Consulate nearest to you. After you complete the registration form and are confirmed enrolled in at least 8 units, you will be sent an e-mail with the link to the I-20 Request form. This online form will allow you to upload your documents and communicate with our office regarding your I-20.

*Please note that it can take 2-3 business days to receive this e-mail. You will not be able to access the link until the e-mail has been sent to you directly.*

Below are the documents you will need to have electronically scanned and saved in digital format to be uploaded via the online I-20 Request. They will not be accepted via e-mail, fax or mail!

**IMPORTANT: The I-20 request must be completed NO LATER than May 1st for Session A and June 1st for Session C. Requests made after that date may not be processed in time for consular appointments and legal entry into the United States.**

**Passport Information**

A scanned copy of the biographical page in your passport that shows your full name, passport number, birth date, expiration date and photograph

**Confidential Financial Statement (CFS) and proof of sufficient funds**

You will need to complete the Confidential Financial Statement (CFS) and submit additional documents such as a bank statement or letter from the bank showing available funds. Financial verifications must state that at least US$7,000 will be available to you for each six weeks you are at UCLA.

*This amount is based on 8 units, if you are enrolled in more than 8 units, the minimum financial verification will go up by $339 per unit.*

**Proof of English Proficiency**

We require one of the following to prove your English proficiency:

- TOEFL minimum score of 550 for paper-based test; 213 for the computer-based test; 79 for the internet-based test
- IELTS minimum score of 6.5
- iTEP minimum score of 5

*Citizens of Australia, Canada, and the United Kingdom are exempt from having to provide proof of English proficiency.

**International Baccalaureate and students currently enrolled in an English language institution may submit a transcript or verification of enrollment from their school.*
TRANSFER I-20 REQUEST PROCESS

You will need to request a transfer I-20 if you are currently in the U.S. with an F-1 Visa and:

- You will be graduating from your university or high school before the Summer Session and you will not apply for OPT
- You will be permanently leaving the U.S. following the summer at UCLA
- Your I-20 has a program end date that expires before or during the Summer Session
- Your current program is ending and you will start at a new school in the fall

Upon completing the registration form and enrolling in 8 or more units, you will receive an e-mail prompting you to complete the I-20 request. You will need to provide your SEVIS number and program end date. You will also need to contact your F-1 Advisor at your current school and request that they release your SEVIS record to UCLA Summer Sessions. Your transfer I-20 will not be issued until after the program has ended and your advisor has released your record to us.

OBTAINING AN F-1 VISA

When you receive your UCLA I-20, you are ready to apply for the F-1 Visa. Your next steps will be to:

1. Pay SEVIS fee. SEVIS is the Student and Exchange Visitor Information System operated by the U.S. Department of Homeland Security (DHS). Go to www.fmjfee.com and pay the fee at least 3 days before your visa interview. You will need your SEVIS number—printed on the top right hand corner of your I-20— to process the payment. You should take a printed receipt of your SEVIS payment with you to your visa interview appointment. Failure to make payment may delay processing of your F-1 Visa.

2. Schedule and complete visa interview at a U.S. Embassy/Consulate*

3. Arrive in the U.S. and clear customs at a U.S. Port of Entry with the following documents.
   - Original I-20
   - F-1 student visa stamp in passport*
   - Valid passport
   - Financial documents consistent with I-20

*Canadian citizens are exempt from obtaining an F-1 visa and therefore DO NOT need to go to the U.S. Embassy; however, they must obtain an I-20 form, pay the SEVIS fee before entry and abide by all F-1 regulations.
MAINTAINING LEGAL F-1 STUDENT STATUS

To maintain legal F-1 student status at UCLA, you are required to:

- Complete the mandatory check-in procedure and iStart pre-arrival orientation.
- Maintain full-time enrollment (8 units per six-week session) and earn a passing grade in all your courses.
- Conform to regulations for travel outside of the U.S. and keep your passport valid for six months beyond the summer sessions program.
- Accept no off-campus employment; work no more than twenty hours per week on campus while attending school on a full-time basis.
- Notify the Dashew International Office before you transfer to another U.S. school.
- Leave the U.S. or transfer to another U.S. school within sixty days after the completion of your program.

If for some medical or emergency reason you are unable to attend full-time, you must contact an advisor at the International Education Office (1331 Murphy Hall) immediately. In exceptional and rare circumstances an advisor can approve a course load of fewer than 8 units if you have an illness or other medical condition (substantiated by a physician’s statement).

I-94 ARRIVAL / DEPARTURE RECORD

The I-94 Arrival/Departure admission record is recorded with U.S. Customs upon arriving in the U.S. The I-94 will be generated electronically on www.cbp.gov/I94. It is your responsibility to printout your electronic I-94 document from the CBP website after arrival and submit a copy during check-in.

I-94 Retrieval Instructions

After landing in the U.S. and passing through customs, you may visit the CBP website. Enter your name as it appears on the visa stamp page. If an FNU appears on the visa stamp page, it will appear on the I-94; if FNU is not indicated, it will not appear on the I-94.

IMPORTANT! When you pass through customs, check your passport and I/94 to ensure the officer has stamped it correctly. It should say F-1 (not F2, B1/B2 etc.) If you notice an error, politely ask the officer to correct the error. Errors in your admission record can lead to problems in the future.
Los Angeles International Airport (LAX) is the closest airport to UCLA campus (approximately 12 miles away), and there are a variety of options for transportation from LAX to Westwood:

**Shuttle Services** operate continuously and can take you to UCLA for approximately $16 to $25. To catch one of these, go to the outer lanes and talk to one of the shuttle dispatchers. They will usually be able to put you on a shuttle within 15-20 minutes.

**Super Shuttle** is one of the larger companies—they have dispatchers at LAX between 08:00 a.m.-12:00 p.m. You may schedule a trip at [http://www.supershuttle.com/](http://www.supershuttle.com/)

**Fly Away Buses** provide daily nonstop bus service—one-way and roundtrip—between Westwood and LAX. At LAX, you can board from the lower level outside the baggage claim. Stand by the green “Flyaway Buses and Long Distance Vans” signs in each terminal. Each bus is marked with its service location, look for the one marked Westwood to get to UCLA. The shuttle stops at UCLA Parking Structure 32 on Kinross Avenue, two blocks north of Wilshire Blvd., west of Gayley Ave. Buses depart every hour on the hour from Westwood and LAX (both directions simultaneously) between 6 a.m.—10 p.m., seven days a week. Cost is $10 each way (Credit Card payments only).

**Taxis** can be picked up curbside (inside lanes), right outside baggage claim. Fares to UCLA from LAX are about $40, including a $2.50 airport tax.

**General Tips**

1. Never leave baggage unattended. Do not entrust bags to a stranger, even if they seem trustworthy.
2. Be attentive and watchful of signs, directions and maps at the airport. Listen carefully to announcements made over the PA (public address) system.
3. Beware of solicitors inside and outside the airport terminal who may offer to provide a ride. Don’t encourage a conversation with them. Similarly, don’t divulge details of your trip to a stranger.
FIRST FEW WEEKS AT UCLA

GETTING STARTED

Prior to arrival, you will need to complete all the online iStart modules. Additionally, you will be required to attend a mandatory Visa check-in during the first week of the session.
iSTART@UCLA

iStart@UCLA is an international student transition program sponsored by the Dashew Center for International Students and Scholars (DCISS). It will help you adjust to life at UCLA and in the U.S. The Pre-Arrival online modules cover a range of topics such as:

- Getting Started at UCLA
- Cultural Adjustment
- Visa Workshop
- Fun and travel opportunities sponsored by DCISS

You will be required to complete all mandatory iSTART modules prior to arriving on campus. We encourage you to complete it as soon as possible, as it will answer many of your questions about UCLA and Los Angeles. A $59 non-refundable fee will be charged to your BruinBill account. The fee includes all of the following items:

- Pre-Arrival Online Orientation
- Visa Check-In
- Access to our DCISS Social Programs
- iSTART Welcome Pack
  - UCLA Sweatshirt
  - Dashew Center Glass Water Bottle
  - Map of L.A. (UCLA Campus, Santa Monica, Venice, Downtown, Hollywood)
  - Reusable UCLA grocery bag

VISA CHECK-IN

Additionally, the U.S. Government requires that we collect a photocopy of immigration documents upon your arrival at UCLA. You are required to attend a mandatory check-in to submit all required documents.

Students must bring the original and a copy of the following documents to the check-in session:

- F-1 Visa and Stamp (Canadian Citizens are exempt)
- Passport Photo/ Biographical Page
- I-20 Form (Page 1 only)
- I-94 Admission Record

The U.S. government requires us to collect these documents no later than the Friday of the first week of class (June 27 for Session A; August 8 for Session C). Copies must be made after arrival in the US to reflect any stamps or comments made by US Customs officials and prior to Check-in. Failure to do so may result in the cancellation of your student’s visa.
NO-SMOKING POLICY

Curbing tobacco use and reducing exposure to secondhand smoke are vital to reducing tobacco-related diseases, suffering and death. According to reports by the U.S. Surgeon General and others, there is no safe level of exposure to environmental tobacco smoke, which is capable of causing cancer. Creating a safe environment for our students, faculty, and staff is our priority.

Tobacco use will be prohibited everywhere on campus and at properties owned or leased by UCLA. There will be no designated smoking areas. We ask that tobacco users be respectful of our neighbors and not congregate or litter on their property.

All tobacco users who want to quit are encouraged to call the free California Smokers Helpline at 1-800-NO-BUTTS.

Tobacco users who wish to quit also can obtain free nicotine-replacement therapy kits (NRTs). Students can receive these at the Ashe Center, where counseling and tobacco-cessation support will also be available.

CALIFORNIA TOURS

California Tours offers group tours to popular destinations such as Disneyland, Las Vegas, the Grand Canyon and San Francisco. You can sign up for tours online at www.california-tour.com using the school code UCLA.
